**Conclusion:**

What a great letter of instruction and encouragement this must have been both to Titus as well as to the people to whom he ministered there in the churches in Crete! And what encouragement and instruction this book should be to you and me today as well as we determine to put godliness into action in our own personal lives!

But let me ask you again this morning, dear Conqueror’s Class member... *‘What Sweet Fragrance Of Godliness Do You Bear That Others Might Know You Belong To Jesus?’* Are you allowing your day to day actions to glorify the Lord in all that you do and say? If not, why not?
