Conclusion:

Folks, God’s judgment against sin is coming and we need to let those around us know about it as well as the means by which God has made a way of escaping that judgment against sin through the precious blood of His own dear Son, the Lord Jesus Christ!

As it did with Daniel, so it should do with us, when we consider what is coming to all those who have chosen to reject God’s great love and mercy!

And we must get busy about our Father’s business, and that being, telling everybody we come in contact with about God’s Way of salvation for all men, women, and children who live upon this earth!

Please, I beg you, if you do not know how to take the Word of God and lead someone to a saving knowledge of the Lord Jesus Christ, please, I beg you, please, sign up today to take the next Soul-Winner’s Club training class, which begins on January 11, 2023!

And if you do already know how to share the Gospel with someone, be faithful to do it, even as our Lord has so commanded us to do! Not because we have to...and not because we are being forced to...but simply because we love those folks around us who are lost and on their way to a devil's Hell, and we don't want them to die without Christ and go to Hell!

Do it for somebody today, not because you have to, or because you feel you are being forced to, but do it because one day, someone did it for you, and now, because of their great love for God, and because of their love for you as a lost person on your way to Hell, now you can go out and do the same thing for someone else!

Oh, dear child of God...let's determine to get busy telling folks about Jesus and doing all we can do to keep folks out of Hell while we still can, and before it is eternally too late, both for them to hear and to believe, as well as for you and I to take the message of God's great love to them!
