Isaiah 53:11

Today’s Lesson Thought can be summed up in this one simple Statement...

“Hallelujah, What A Saviour!”

Conclusion:

Messiah’s suffering indeed brought forth many benefits to a world that was lost and dying in sin, one of which was your salvation and mine!

And although the results of His suffering are indeed glorious and are far beyond all human understanding, you and I have been given a divine responsibility in reaching our lost world with the message of the Gospel of Jesus Christ!

On this Resurrection Sunday morning, may we each look at all the Lord has done in bringing unto us so great a salvation that only God Himself could ever provide, and allow our love and appreciation for all He has done for us to make us ever more willing to take the message of the Gospel to all the ends of the earth, beginning right where we live, and work, and play each day!

And ‘why’??

I believe this lesson teaches us '*why*', and that reason being that when God the Father saw the travail of His dear Son's soul, Almighty God was satisfied that your debt for sin, and that my debt for sin, had indeed been paid for in full.

And now, in love and appreciation for what God has done, you and I can live in the joy and happiness of our great salvation, and be willing to go and tell all the world of what Jesus Christ, the promised Messiah, has done for them!

Conqueror's Class member, if you have truly been born again, then you also have a great responsibility to lovingly go forth so as to teach others of the death, burial, and bodily resurrection of our Lord Jesus Christ!
