**Conclusion:**

Child of God, it is important that you and I be active and faithfully participating members of the body of Christ, the local church, especially as we see all that is happening around us in our lost and dying world, and we can so clearly see that the day of our Lord's soon return is closer today than ever before!

God's house should be a special place to each of us because it was through the ministry of the local church that we have come to know Christ Jesus as our Saviour!

Child of God, never forget that the divine purpose and plan for God's born again body of believers, the church and bride of Jesus Christ, is for each of us to be about our Father's business, and this fact has never been more evident and more important to those around us as it is in our day today and as we can see the day of our Lord's eminent return soon approaching!

May we, as born again members of the body of Christ, be glad when someone says unto us, let us go into the house of the LORD so that we might continue to learn more and become ever more willing to take the message of the Gospel to our Jerusalem, and to our Judea, and to our Samaria, and ultimately, to all the world!

God's local church is indeed a special and divinely ordained place of assembly for those who are truly born again, baptized, Spirit filled believers who desire to be instructed in the things of God so that they might go out and reach the lost world around them!

May you and I be willing today to follow the admonition of our Lord God found in Hebrews 10:24-25 that says, "***And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.***", why?? Because God's church really is a special place!
