# CONCLUSION...

The heart of the story is simply this...

Balaam "*KNEW*" what God had instructed him to do and to say, yet for personal gain he was willing to do the exact opposite of what God said do!

Peter draws the parallel between Balaam and those who follow Balaam's example literally snubbing God and spitting in the face of God seemingly stating, "*I'm going to do what I want to do no matter what you say, God*?".

And while God may not always use a *"Better Business Burro"* in today's world to rebuke false prophets, God does nonetheless rebuke the error and doctrines of false teachers and preachers today through His precious Word!

Oh, Christian...do you love the Word of God today??

Are you staying "in The Book" and allowing "The Book" to stay in you??

The Bible reminds us in Psalm 119:11, "Thy word have I hid in mine heart, that I might not sin against thee."

We don't need to correct the Word of God today through all these new "versions and perversions"...we simply need to let the Word of God correct us and lead us in paths of righteousness, which God has promised it will do!

Child of God, don't get caught up in the way of Balaam...lost souls are depending upon YOU today to lead them in the right direction so they too can know Jesus as their Saviour!
