May we never forget that the right kind of fear will always prompt us to do what is right and holy in the eyes of the Lord!

Child of God, have you become complacent in your ways and manners of living before the Lord God today?

Let me encourage each of you here today...if you are truly born again, and if you truly know the Lord as your own personal Saviour, live for Him in holy fear and respectful admonition today!

The fear of the Lord is indeed the beginning of all wisdom and knowledge! So let's determine to live our lives today as wise children of God so that we warn those that are lost around us of God's Day of Wrath that is indeed so quickly approaching!
