Conclusion:

As this chapter closes out, God reminds Zechariah that one day, He will return and make all things right as He judges those nations who have treated His people so badly! As I told you at the beginning of this lesson, so I say again, God is always faithful to give His children hope! What a blessing this was to Zechariah and his people and what a blessing this should be to you and me as God’s children who have been washed and redeemed through the precious blood of the Lord Jesus Christ!
