**Conclusion:**

While the book of Zechariah is written mainly to the Jewish nation, there are great truths that also give us, as born again children of God living in a modern world, a great hope and comfort from day to day! Here are some examples of that divine hope and comfort...

- 1 - God sees and knows everything that befalls us!
- 2 - God is aware whether we are serving Him and obeying Him or not!
- 3 - God is aware of the obstacles in our life that may hinder us from serving Him!
- 4 - God promises strength to us in the time of our weakness and distress!
- 5 - God promises a better day of peace and joy and even reward for trusting and obeying Him!

Therefore, dear child of God, look up...for your Redemption draweth nigh!
